RESPONSE TO SUPPLEMENTAL EXAMINER'S ANSWER

MS Amendment
Commissioner for Patents
P.O. Box 1450
Alexandria, VA 22313-1450

Dear Sir:

On September 9, 2005, the Program and Resource Administrator returned an undocketed Appeal to the Examiner for appropriate action.

The Examiner was called upon to address three points, with a fourth optional point.

Points 2 and 3 appear to be ministerial in nature, and it is assumed that the appropriate matters have been scanned into the record.

With respect to point 1, the Examiner has, in fact, rewritten the Examiner's Answer rather than simply acquiring the Technology Center Director's approval as ordered.

The optional, point 4, does not seem to apply.
